

Come Autocross With Us and Have Some Fun With Your Car!

Autocross entails setting up a Formula 1 style road course in a large, paved lot using traffic cones and timing equipment and then driving your car through the course as quickly as possible to establish your fastest time. Autocross will give you the chance to test your driving ability and your car's performance capabilities in a safe, well organized, closely supervised and legal manner. It will also afford you the opportunity to experience many of the thrills and utilize many of the skills that a race car driver experiences. Cars are placed in various classes set forth by the Sports Car Club of America's Solo II rulebook so that you can compare your fastest time against similar cars competing that day in the same class. It's a great outlet for driving enthusiasts that love to drive in a spirited, performance-oriented manner. The Cumberland Motor Club (CMC) also allows kart enthusiasts (age 8 and up) the opportunity to participate in our autocross events as well. CMC hosts several events starting in late spring and ending in the fall. Come join us and have some fun!

Registration Procedures for "First Time Drivers" Who Are New to Cumberland Motor Club (CMC)

Registration	EVENTS Minor - Major	All drivers under 18 must have a parent or legal guardian present to sign a waiver in order to participate. Registration on-site is from 8 - 9 A.M. If you are a first time driver with CMC and are registering on-site the day of the event, you will be afforded the pre-registered price one time only. Future registration requires membership. To best prepare for your first event, new drivers should visit the website at www.cumberlandmotorclub.com to learn more about autocross and car preparation tips.
If pre-registered	\$25 - \$30	
On-site (day of)	\$35 - \$40	

Watching is Free ...but to capture the true essence of Autocross you need to experience the thrill of the ride. Ask one of our experienced drivers if you can ride with them (must be 12 or older to ride, sign a waiver, obtain and wear a wristband and an approved helmet and of course your seat belt). Persons under 18 must have a parent or legal guardian sign the waiver for them.

Show this flyer to receive an additional \$5 off your "first time driver" registration fee
