Ian Morency

Dan Morency
Jay Gould
DJ Poree
Frank Hampton Jr.
John Russell
Glen Sutton
Jack Sutton

Secretary's Report:

Motion to accept the last meeting's minutes as published was made, seconded and Approved.

Treasurer's Report:

Balance is \$9,893.53 (less check's issued today). Includes insurance for this weekend. Liab to UMaine has been paid.

Motion to accept the Treasurer's report was made, seconded and Approved.

Rally Report:

No report; chair not present. Per Chris, Tim Knowlton & Tim Thomas did NER TSD rally.

Slalom Report:

There have been three events since our last meeting.

7/30: Paranoid Pylons Windham 79 Competitors, 7 runs, ave. 46 seconds (net 35)

8/06: Asphalt Assault Bath 100 Competitors, 6 runs, ave. 47 seconds (net 35)

8/20: Viking Challenge Bath 40 Competitors, 7 runs, ave. 60 seconds (no overlap)

We seem to be getting more experienced at running events. New timing gear is going pretty well, used at 2 events. Chris found more cable.

There have been a couple active discussions on the forum concerning competing with a learners permit. Not permitted. Also regarding age, Charlie saw a kid that looked too young to be a passenger.

Followup on SM2 discussion on forum – question as to class of Caterham. We did SM2. SCCA wouldn't allow that due to weight issue – min. weight is 1900 lbs – it's too light (& excluded by name). Would have PAX advantage, which is a major concern this season. Comes down to making rule for next year. Do we want to run SM2 by the book? Was a regional class, now a national class. Pend for further debate?

Motion to accept Slalom Report was made, seconded and Approved.

Kart Report:

Nothing to report.

Publicity Report:

No publicity report.

Old Business:

- Chris confirmed fall dyno day 10/28/06. Encouraged everyone to come out. Will be \$40 again – a good deal. Can have 3 pulls if you need it.
- DJ will check into purchasing spare tire for trailer, as well as a 4-way jack. It's 150 miles to Orono – long way without a spare. Pended.
- Charlie got us 2 new Interstate deep cycle batteries – small ones. New system will need 2 active batteries plus a spare. Also, another person to carry 2 batteries, in case he breaks down en route. Dan will take them.

New Business:

- Dan brought up trailer keys – we should have 5 sets? Chris will give Dan a set. Need to update existing sets with new hitch-lock key. Dan will put out request to others (Steve, Dave?) that might have sets.
- Antonio received e-mail invitation to participate in ME Tunerfest on 10/8/06. They would like to encourage grassroots motorsports. Info will be posted on website.

Meeting adjourned.
