Slalom Report:

There have been 2 events at Windham since last meeting.

Awesomecross had 75 participants, 7 runs

Cone Hunting : 87 participants, 5 runs

1st one had good overlap, 2nd one did not.

New event scheduled for October 21st at the Lewiston Collisee sponsored by Evergreen Subaru. Now up to 4 events to drop. Point of clarification: chair must declare if they want chair points OR event points, also within 30 days of points becoming final.

Online there has been discussion about electronic registration. Put feelers out about using it next year. Would need to use Paypal to collect entry fees.

Reminder that on 9/29/07 at 9pm there will be informal gathering of CMC & SCCVT for kart challenge at MIK.

Motion to accept Slalom Report was made, seconded and Approved.

Kart Report:

No Kart Report.

Publicity Report:

Jeremy will send e-mail reminders for this weekend & the MIK.

Old Business:

- Dyno Day date is Sat. October 27th. \$40 gets you HP, torque & air/fuel. 2 pulls with option for 3rd pull. 2WD dyno.
- Jason Bloomfield, general manager of Collisee, was concerned that we hadn't contacted the fire marshal, Steve Dixon. Chris explained again that the "racing"

guidelines don't really apply to us (would be like requiring compact cars to meet State inspection rules for commercial trucks – doesn't work). Good news is, they still think it's up to the Collisee to get license. Evergreen Subaru is very behind it.

New Business:

- No new business.

Meeting adjourned.
