Treasurer's Report:

The current balance in the checking account is \$10,529.51. "Same amount as at last meeting".

Motion to accept the Treasurer's report was made, seconded and Approved.

Slalom Report:

Statistics for the 2004 and 2005 autocross seasons were as follows:

	2004	2005
Average Entrants	75	46
Average # of Runs	5.1	6.8
Average Run Time	38.3	31.75

Bad News: Two of our long standing lots (Augusta, OOB) are no longer available. Populated areas will be difficult to use.

Good News: Asking people to find new venues was successful.

Current Lots:

- LL Bean, Casco St. (3 Events)
- U Maine Orono (2-day event, July)
- Crooker Lot, Bath (3 Events, an ideal lot)
- I dex Lot, Westbrook (2 Large lots, can use both)
- Season kicks off with StoryLand April 29th, 30th

If anyone is interested in being an event chair contact Chris Moberg.

Chris asked that we be aware of the image we present to keep complaints from coming to lot owners. Part of "selling" us to lot owners is that we are not like kids doing donuts. We are an organized "Driver Skill Event". Need to keep in mind as we are on probation with I dex lot. Schedule will be announced at March meeting.

Motion to accept Slalom Report was made, seconded and Approved.

Rally Report:

Steve is planning another TSD rally this summer. Steve got the clocks back working. We now have 2 more. We are always looking for someone to put on a rally, either TSD or Fun rally.

Motion to accept Rally report was made, seconded and Approved.

Kart Report:

This year we attempted to have 4 kart schools, but only had 1. Two participants graduated. Attendance was down. Because SCCA is transitioning to more powerful karts, our new rules will reflect this.

Motion to approve Kart Report was made, seconded, and Approved.

Publicity Report:
