

Cumberland Motor Club
Cricket's Restaurant
June 30, 2004

Attendees:

Charlie Tompson	Chris Moberg	Ian Morency	David Dolley
David Dyer	Steve Day	Dan Morency	Aaron Dyer
Frank Hampton, Jr.	Wendy Dyer	John Russell	

Secretary's report:

Motion to accept the last meeting's minutes without a reading was made, seconded and Approved.

Treasurer's Report:

The current balance in the checking account is \$9,572.31.

Each event has been profitable to date this year. The liability insurance has been renewed for another year with K&K. Premiums have increased slightly over last year.

Motion to accept the Treasurer's report was made, seconded and Approved

Rally Report:

Forrest Rally is scheduled for the last weekend in July (7/30& 7/31).

CMC hoping to have a rally sometime near the end of the summer. The Rally Chair will gladly offer assistance to any club member who would like to set up any rally event.

7/17th O'Neill's is having a rally-cross and pro-rally worker school.

8/14 – Mid-Maine Sports Car Club is having a gymkhana.

8/29 – MMSCC Mid-Maine Mountain Rally

Motion to accept the Rally report was made, seconded and Approved.

Slalom Report:

Two events since last meeting

Cone Hunting III – 86 participants – tight course

Great Whateva at Augusta Civic Center this past weekend – 83 participants

Changeovers went relatively well at both events and both were well run.

We are working with mgmt of Windham mall for 7/11 event.

There is a potential sponsor for a future event if the Club can secure a lot in the Lewiston area.

High turnout at our events – Discussion about one additional event this year limited to members only.

We just need to keep a handle on the length of the courses so that we can try to get more runs in per event.

We will try to print off a class bumping list prior to running each event after registration is complete.

Motion made to accept the Slalom report was made, seconded and Approved.

Kart report:

One kart school has been held since the last meeting. The kart modifications seemed to work well.

We have graduated five students so far this year.

We should allow other than stock Briggs and Stratton engine karts since they are not making them anymore.

Motion made to allow participants to run any 5 or 5.5 hp rated “box-stock” engine to run in any stock kart class. Motion seconded and Approved.

One more kart school this year scheduled for July 18th.

Motion to accept the Kart report was made, seconded and Approved.

Publicity Report:

Clue Sheet has been put together and will be distributed in the next day or so.

If you would like to be Publicity Chair, please contact a CMC Officer.

Motion to accept the Publicity report was made, seconded and Approved.

Old Business:

- ? We still have no awning for the club trailer to date. We will try to work on this issue in the near future.
- ? Steve will look into purchasing an antenna for the radio transmitter to be used. We need to see where we can set the transmitter to make this work properly. Some modifications that should be made would be to simplify the wiring and mark the frequency that we want to use.

New Business:

Owl's Head 50's & 60's weekend will be a social event. Details are in the current Clue Sheet. Members that attend will not be charged admission. Check the web site for details!

Web site hosting issue – will be discussed at the next meeting. Nate Stuart had volunteered to handle this at a prior meeting, but he did not attend this month's meeting.

The Club President would like to have the Club sponsor a BBQ, Pig Roast or Lobster Bake for members at some time this season. This could take place after an already scheduled event or at a member only event to be scheduled. With the Club doing well financially, it would be nice to offer some additional benefits to the membership.

The MAAC calendar has been posted at www.badgoat.net.

Meeting adjourned at 8:50 pm.
