Steve & Charlie misclassified at Storyland. – Charlie was reclassified, Steve was not. Current standing will not change, going forward rules are rules and no exceptions. I.e.: BBR GTI is not FSP legal any more. It is missing a headliner and does not have the interior. It will run in EP. VW's with "Euro" headlights will be in EP or higher.

New Business:

Members had a problem with trophies. Color of jackets, unequal trophies for same class. Dan left before meeting closed saying we will discuss next meeting. Future trophies will be approved at a meeting.

Steve asked for recommendations on Banquet locations.

Next meeting is postponed until 12/12/04 @ MIK instead of the day before Thanksgiving.
