Old Business:

- ? We still have no awning for the club trailer to date. We will try to work on this issue in the near future. We will should purchase one more “easy-up” canopy to have in the trailer to use on an “as needed basis” next season.
- ? Continued research and thought is going into the radio antenna situation for broadcasting our events. This is on hold.
- ? Nate Stuart will work on changing the web site hosting over from XWave. Steve will pass along the contact information to Nate to work on this with XWave. No update this meeting, since Nate did not attend.
- ? We will try to put together some sort of a club t-shirt for next year.
- ? The Club will NOT be racing at Wiscasset – the racetrack is currently in the process of being sold.
- ? Member only events. – Next year we have 14 total events and maybe 4 of those be for “members only” next year. We will pursue a Kart night at MIK for members only. Dan will look into it and report back at the next meeting.

New Business:

- ? We will take an inventory of damaged cones after the last event this weekend, then decide what the Club needs to purchase for next season.
- ? A member expressed concern about “stops” being too aggressive at recent events. The last event had a short stop box compared to many other events this season.

Meeting adjourned at 8:25 pm.
